Subject: June 8 Agenda

Attached is an agenda for June 8 BDCP coordination meeting agenda. Note that toward the end of the agenda is an item of follow-up on the December Action Plan. This was suggested in a call last week with DC, with the intent to making sure that we are all coordinated in the region and moving forward on actions set out in the Action Plan, some of which are very close to BDCP actions.

I attach the June 4 letter from the NGOs in case people haven't seen it.
